Our Greenhill

Your guide to the
businesses in Greenhill

The 'Our Greenhill' project aims to promote the range and breadth of our 36 local shops and businesses. Greenhill is a thriving hub for local services (with no empty commercial units) with food, clothes, gifts, DIY, medicines, and more, to buy and lots of places to eat and drink. Alongside these are health and wellbeing services, hair and beauty salons and you can even have your bike repaired, your dog groomed, attend a yoga class and get your own business accounts sorted.
